

# What's Happening At Darlington Ridge – March 2021

## 2021 Spring Activities / Project Updates:

- Ice was removed from roofs as snow melted & refroze after the February snowfalls.
- The two-inch pipes were replaced at Building 70. This project was to start in April but was moved up after multiple lines broke.
- Projects Planned for Spring 2021 were listed in the February News Blast (see Website)

## Committee News

We are looking for volunteers for our Recycling and Pet Committees. Committees are a great way to meet others in the community and get involved for a common cause. Please contact Linda if interested.

- The Finance Committee welcomes our recent additions Garrett Lang, Greg Borges, and Bala Romicherlabhattar.
- The Social & Recycling Committees are working together to sponsor a Recycling Poster Contest. More details will follow over the next few weeks. We're looking forward to see everyone's creativity.
  - Helene Cohen joined the Recycling Committee.
  - Social Committee welcomes Jamie England and Lauren Hess.
- Pet Committee welcomes Sarah Donnangelo
- Pool Committee welcomes Lauren Hess.
- Landscaping Committee Update
  - Watch for the daffodils that have started to sprout in front of the clubhouse and on the islands at the two entrances.
  - We are also preparing for the planting of 32 gardens, so watch out for all the improvements to the gardens; one by one we will enhance the ridge!!
  - Spring clean-up is approaching and it's time to clean-out your patios and gardens and prepare for the warm weather!

## Please Note:

- Be mindful of **noise levels**. We live in multi dwelling buildings and noise travels, especially floor noise. Therefore, Administrative Resolution #38A Regarding Wood Floors indicates that All units must have 80% of floors covered; this would include furniture and carpeting. See DR Website for more details.
- The Board of Trustees **elections** will occur during May. Homeowners will receive an election packet during April with an application form if you are interested to get involved.
- For a large amount of **recycling**, please note that you can drop it off at the town's center at **142 N Railroad Ave** (1 mile away). You can find out more information by going on the website <https://www.mahwahtwp.org/>. They also take junk mail and old electronics.
- The Darlington Ridge **Website** has been updated and includes a DR Overview Presentation, News Blasts, Rules & Regulations, etc.. We welcome your comments and suggestions. Please submit to [drcaboard@gmail.com](mailto:drcaboard@gmail.com)
- Report **water breaks** to the Manager's Office 201-327-3665. If the office is closed, call the After-Hours Emergency number 844-479-2676 and the Mahwah Police Department 911; they will get in touch with the water company to have the water turned off.
